# *Message from the Principal*

Dear Alumni

Once again the year comes to an end.

But every end has a beginning. You all are ready to take a flight to future.

On this occasion, I just want to say - this is your college and will always remain yours forever.

The love, warmth and cheers you have had from your teachers and everyone here will be your memories, forever.

Each one of you will make it big in life because this college has made you that ready that you are able to set new pathways in your own worlds. Make a difference there. Be good human beings rather than only being successful ones and see how goodness will bless you.

Remember us, remember your Alma Mater. Remember her kindness. Remember the smiles, giggles, laughter, fun and happiness that you have had here. Each one of you, I know, has a story to share- about these walls, these crevices, these rooms and the voices coming out of them.

I know you all will go but make a comeback in some or the other way. The doors are always wide open for you. Can a mother ever say no her children?

Good luck!

Dr. Rajshree Trivedi  
Principal
