SWAYAM-NPTEL Local Chapter**

About SWAYAM-NPTEL

SWAYAM is a programme initiated by Ministry of Human Resources Development (Government of India) and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged.

SWAYAM has been coordinating with UGC, AICTE, IGNOU, IIMB, NPTEL NCERT, CEC etc. and offers various semester wise courses. National Programme on Technology Enhanced Learning (**NPTEL**) is a project of MHRD initiated by seven Indian Institutes of Technology (**Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee**) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs and others. NPTEL also started many 4,8,12 and 16 week certificate courses since 2013.

All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

To take this initiative forward and to encourage more students across colleges to participate in this initiative, SWAYAM-NPTEL has given its approval to many colleges to be a part of local chapter across India.
