KILL THE GIRL CHILD?

She who serves you for whole day
She who gifts you with your copy young one,
And yet people say kill the girl child?

She is the one without whom you can't stay
She is the one that feeds you all day,
And yet people say kill the girl child?

She who tries to fade all your worries
She even whom you call your mother earth,
And yet people say kill the girl child?

She who plays a role of fay in your life
She who stands beside you also in awful
situations,
And yet people say kill the girl child?

She is who from whom you was born
If educated, she is who can take your literacy
level higher,
And yet people say kill the girl child?

BORN SINNER

They say the devil was once an angel.
What makes me any different?
Born innocent, born cleansed.
What makes me any different?
His cold, rough demeanour,
Topped off with a golden halo,
His crown.
His heart is stone, no?
I am almost certain
That if you were to search Lucifer's abyss,
You'd eventually stumble upon confirmation
That he was once an angle.

What makes me any different?
My actions blur the lines
Of sin and good will.
The ones I claim to love
Are the ones who feel my hate?

From one's perspective,
I am angelic.
From another,
I am Satan.

Are we all not born pure?
Predisposed to the broken humanity,
We are all born sinners.
