

ENRICHMENT & PLACEMENT CELL

A STEP TOWARDS A RISING CAREER

The Placement Cell of Maniben Nanavati Women's College, established in October 2005, acts as a liaison between the Industry and our Student Community. This Cell works towards achieving Institutional goals, thereby contributing towards Student's Empowerment.

OBJECTIVES

- To develop the soft skills required for employability.
- To provide a platform for overall personality development.
- To facilitate students with specialized training, to make them market ready.
- To create an eco-system for enhanced interaction between students & industry.
- To develop & maintain sustainable and long-term relationship with reputed industries, to increase employability opportunities in students' domain areas.
