(Dr. B. R. Ambedkar University of  
Social Sciences, Madhya Pradesh)

## ABOUT THE INSTITUTION

Established in 1972, Maniben Nanavati Women's College (MNWC) is dedicated to the cause of empowerment of women through access to higher education. The College has been awarded the BEST COLLEGE award by the affiliating Body -SNDT Women's University, Mumbai. MNWC has been reaccruited with 'A' grade by National Assessment & Accreditation Council (NAAC), a government recognized body. It is recognised by UGC under 2(f) 12(b).

The College follows the legacy of. Smt. Maniben Chandulal Nanavati, a freedom fighter and a humanitarian who worked for the upliftment of masses and was a close associate of Mahatma Gandhi during the Indian freedom movement.

The College offers a wide range of programmes at Undergraduate as well as Post-graduate levels. Under UGC's National Skill Quality Framework scheme, the College has received an approval for two certificate course. The College is registered Local Chapter under UGC's SWAYAM NPTEL scheme. The College has a well established self-funded research centre -Smt. Kantaben Shah Research Centre for Multidisciplinary studies.

MNWC bridges the past to present. Established with the vision of offering conventional academic programs to the women from the close by vicinity, the College took major leaps time and again to match the pace with the needs of the changing world. Almost half a century back, women who were first generation college-goers ( and for that matter school, too) got the much desired opportunity here to step out of their domestic circuits and upgrade themselves in the areas of home-economics and socio-cultural dynamics. They were the silent sentinels preserving the rich culture and tradition of a great nation. Yet, in their own capacity and manner, they made their discreet contribution to the development of the nation.

At the turn of the century, as the global scenario changed, young women ushered into the new era of electronics, computers and digitalization. While still preserving the legacy of the rich Indian tradition, they took up the challenges of the changing modern India and contribute to be the equal partners in the progress of the nation. Proud to be affiliated to the centurion SNDT Women's University, the College has offered opportunities to women of more than three generations to become economically and socially self-sufficient.

Although a women's college, gender sensitization, development and empowerment are among the core values of the institution. Academics, research, employability skills, internship, placement, entrepreneurship, community outreach projects, National Social scheme (NSS), National Cadet Corps (NCC), Youth Red Cross, Rotaract Club, Sports, Yoga, Value Education and various other programmes mould, shape and prepare young women at MNWC. So when they enter MNWC with thousands of dreams and aspirations to prove their worth in the world of rat race, after completing their education here, they step out with a gait of overbearing confidence, dignity and self-efficacy.

## THEME

### Impact of NEP 2020 on Quality Parameters in Institutions of Higher Education

## OBJECTIVES

- To understand various methods and strategies for the implementation of the New Education Policy 2020 in Institutions of Higher Education in India
- To review and reassess the implementation of quality parameters in institutions of higher education
- To offer deliberations by experts on the roles of HEIs in reviewing their policies, strategies and methodology of promoting, nurturing and sustaining quality and excellence in all spheres.
- To provide a platform for conducting interactive and participatory session for exchange of ideas and opinions on quality and excellence in HEIs with special emphasis on the policy of inclusivity and gender parity and offering equal opportunities to all.
