Dear Alumnae

Hey Dear Graduates and Post -Graduates!  
Congratulations on completing your degree programmes!

I am sure you've had a great time at MNWC. You are the chosen ones who've enjoyed the best of both the worlds - online as well as offline ones.

The year was tough, but our determination was tougher than ever to overcome the crisis., the Pandemic crisis.

At MNWC, we were continuously conscious of our roles as mentors, facilitators, counsellors and more than that as teachers who made the difference. Our teachers took extra care to see that you undergo a complete transformation in terms of your academic growth and development. We offered you a large number of skill development courses, internships, job opportunities, research opportunities and other platforms to steer your growth and all round holistic development.

The regular co- curricular and extra-curricular events, cultural exposure and community outreach activities were organized with equal fervent and zeal all though the year, albeit in virtual modes.

Together we overcame the challenges. Together we stood by each other. Together we sailed through the troubles times. And that has made all the difference.

Many of you must have enrolled for post graduate or research based programmes. Many of you want to support your family in these troubled times by taking up jobs. Many of you may not have still chalked your further career paths. One thing is certain however, we are always there with you with the 'Hum Hai Na' spirit.

Girls, this is your college. Do come to us ,again and again, with your success, progress and expertise so that the new, young and vibrabt GenNext learns and imbibes from you the values that we instilled in you.

God bless you all.

Lots of love and hugs.
