Student Feedback 2019-20

One hundred and forty six students submitted the curriculum feedback through a Google form as the lockdown had begun. About 47% students rated the curriculum to be very good while 39% said it was excellent, for 13% it was very good. None of the students said that curriculum was average. When asked about the theoretical knowledge being justified with internship and placement opportunities, less than 1/4th said excellent. More than 40% said it to be very good. While 30% said good, a few thought it to be average. About the curriculum contributing to be job ready, 37% and 31% said good and very good respectively and 24% expressed that it was excellent and less than 10% responded as average.

Over 50% of the respondents answered that the curriculum developed entrepreneurial skills in them. Only 2% thought that curriculum was average for entrepreneurial skills. Good and very good was answered by 17 and 27% respectively. Except 4% all students all others said that there is a scope for further studies. About holistic development with programs like yoga and other co-curricular courses like MOOC, apart from 2.1%, rest all (97.9%) students rated the courses to be excellent, very good and good.

Teacher Feedback of Curriculum 2019-20

The teachers of B.A, B.M.S, B.Com and PG (M.A and M.Com) gave their feedback for the syllabus.

On a 4 point rating scale of excellent, very good, good and average, seven questions were answered. According to the concerned teachers, the syllabus was very good for B.A, B.Com and PG, but the score for B.M.S was good or average. For syllabus being need based for all courses the response was very good. B.M.S score good and B.A, B.Com and PG scored very good or excellent for the syllabi aim and objectives being well defined and clear to teachers and students. Whether the course followed the prescribed book, PG scored excellent and the rest scored very good. About the syllabus increasing the knowledge of the teachers, the response was very good for all except the B.M.S course. All streams were very good for the number of optional papers offered in that stream. The score for was highest for PG followed by B.A then B.Com and last B.M.S for the reference books being relevant, updated and appropriate.
