Subject: - Appeal for Grant for Research Activity in our College.

Dear Shri Pratapbhai Patel,

Pranam!

You have always been a generous donor and a great philanthropist. Maniben Nanavati Women's College has in past been benefitted by your generosity. The institution will always remain indebted to your obligations.

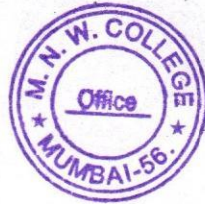

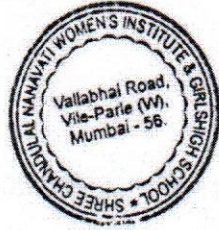

Research has always been an area of great priority at the College. This year our College won the Maharashtra State Research Convention for the third consecutive time. In fact, our student Ms. Glenda D'Silva won at the Western Zone (having defeated 14 Universities) and will now represent at the Nationals. All thanks to your support and cooperation.

Our achievements in Research for students and teachers have driven us to launch Smt. Kantaben Shah Research Centre for Multidisciplinary Studies. Smt. Kantaben was the visionary who started our College.

Following the same, may I request you to provide us a grant for our research projects? Since this year, our Research Activities are going to increase, can we request you to grant us an amount of Rs. Three Lakhs Fifty Thousand only? We want to undertake research projects with an NGO with whom we want to tie up for encouraging research among our students and teachers,

May I call you at your convenience?

Kindly Reply.

Yours Faithfully,
