# MANIBEN NANAVATI WOMEN'S COLLEGE

DEPARTMENT OF GUJARATI

ACTIVITY REPORT

YEAR: 2020-2021

**NAME OF THE ACTIVITY:** Drawing & Essay Writing Virtual Competition

**DD/MM/YY:** 30/01/2021  
std.

**TARGET GROUP :** Students from 1st to 10th

**NAME OF FACULTY:** Dr. Sejal Shah & Ms. Geeta Varun

**NO OF STUDENTS:** 29

**VENUE:** Virtual

**OBJECTIVES:**

- To inculcate Gandhian values in the students.
- To develop skills and encourage creative thinking amongst students.

**METHODOLOGY:** Participatory Learning

**OVERVIEW:**

Outreach programs and invited lectures are also given to the community.

Impact: Through extension and outreach programs, Gujarati Students sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems by making students to involve with the community people.

**On 30<sup>th</sup> January 2021**, on the occasion of Mohandas Karamchand Gandhiji's death anniversary, an online drawing and essay writing competition was organized by the Department of Gujarati, Maniben Nanavati Women's College for the students of M. M. Pupils Own High School, Khar (West). The competition was conducted as a part of the Extension activity.

The competition was announced on 10<sup>th</sup> April 2021. Students were given 20 days to submit their drawings and essays. The subject of the drawing competition was Gandhiji, his life and ideals. Students drew beautiful pictures related to Gandhiji's life, Gandhian values as well as Gandhian thought. The competition was open for 1<sup>st</sup> to 7<sup>th</sup> standard students. There were a total of 26 entries for the drawing competition.

The theme of the essay writing competition was 'Letter to Gandhiji' (Visualising Gandhiji to come back and improve the situation in current India.). The competition was open for 5<sup>th</sup> to 10<sup>th</sup> standard students. In the essay, the participants described the challenges faced by the country and how Gandhiji would bring the changes and help in the current scenario. They even mentioned the current situation of the Covid-19 pandemic in India. Students imagined the measures led by Gandhiji in making the country progressive. There were a total of three entries for the essay writing competition.

### **Drawing Competition:**

Date: 30th January 2021

Topic: Gandhi Chitro

Total Number of Participants: 26

Std: 1st to 7th

### **Name of the Winners of Drawing Competition:**

Aman Parmar - 6th Std - 1st Prize - 500/-

Rohan Solanki - 5th Std - 2nd Prize - 250/-

Sneha Solanki - 5th Std - 3rd Prize - 150/-

Dinky Chauhan - 4th Std - Consolation Prize - 100/-

### **Essay Writing Competition:**

Date: 30th January 2021

Topic: Gandhiji ne Patra

Total Number of Participants: 3

Std: 5th to 10th

### **Name of the Winners of Essay Writing Competition:**

Riddhi Raval - 10th Std - 1st Prize - 500/-

Tejas Palikar - 7th Std - Consolation Prize - 100/-

### **OUTCOME:**

- A huge number of participation amongst students.
- The winners received cash prizes and certificates.
- Assimilation of Gandhian values amongst students.
- An extension activity is an activity that extends the learning of the lesson.

# TREE PLANTATION

Tree plantation activity was carried out by the NCC cadets to spread awareness about the environment and to instill the importance of trees and planting them as a duty of the citizens.

# JAL SHAKTI

**Jal Shakti was a movement driven by Government of India to protect the reservoirs and maintain sanity of our water. Cadets made articles on the given topics.**

## JAL SHAKTI- A SOLUTION

The summer water crisis of 2019, has led in emerging country a policymakers. Ministry of Jal Shakti launched in may 2019, a response to water crisis. India's Prime Minister Narendra Modi took a much needed step in direction of ensuring India's water security as well as thrust.

Jal Shakti Ministry is headed by Gajendra Singh Shekhawat. After a month, Jal Shakti Abhiyan, a campaign came into action with many governmental reforms.

Jal Shakti Abhiyan is a mass movement to bring all the stakeholders under one ambit of water conservation drive. It's time to care before streams are bare. Abhiyan aims to make water conservation a 'people's movement' through government programmes. Activities like water harvesting and borewell recharge already been carried out under the Mahatma Gandhi National Rural Employment Guarantee Scheme and The Integrated Watershed Management Programme of the Rural Development Ministry.

Drip, Drop, Drip, Drop. This kind of clock must be stopped. 8% of water is conserved out of total rainfall received in India. High rates of water crisis, makes India listen to alarm bells. India is currently facing world's worst water crisis, about 200,000 people die every year for lack access to safe water and the ongoing widespread Corona pandemic is imposing more threats to life.

Water being a means of basic survival, Jal Shakti Abhiyan cannot fall back in achieving timely, actionable and competitive results, but India is taking small steps towards an eventual solution. World quenches the thirst of basic needs with water. Not too late to save water's fate. If not saved today, it will slip a way.

# JAL JEEVAN SAMVAAD-JANUARY 2021

Water the most important part of our survival, is being mistreated by many unknowingly. To spread awareness about it and to teach everyone the different measures to take care of it 58 Cadets stepped forward and wrote articles about it.

**Jal jeevan samvad**

*Little drops of water, Little grains of sand, Make the mighty ocean, And the boundless land!*  
- J.R. Carney

Hello everyone

Presenting you a story about Ayyappa Masagi from Karnataka who has practically found and tried a solution towards water conservation. Born into a poor farmer's family, he faced water problems in childhood and used to wake up at 4 hours to fetch water, which inspired him to find ways of water conservation. A mechanical engineer having 23 years of experience at a multinational corporation, Ayyappa Masagi responded to the call of earth and constructed many lakes for water conservation. He studied and practiced non-irrigation agricultural methods as solutions to water crisis which causes drought, thereby leading to Indian farmer suicides every year. This Water Gandhi of India found a mention in the Limca Book of Records for having

JAL JEEVAN SAMVAD JANUARY – 2021

Jal Jeevan Mission, is envisioned to provide safe and adequate drinking water through individual household tap connections by 2024 to all households in rural India. The programme will also implement source sustainability measures as mandatory elements, such as recharge and reuse through grey water management, water conservation, rain water harvesting. The Jal Jeevan Mission will be based on a community approach to water and will include extensive information, Education and communication as a key component of the mission. JJM looks to create a Jan andolan for water, thereby making it everyone's priority.

LAUNCHED BY :-

- Prime Minister Narendra Modi has launched Jal Jeevan Mission on 15th August 2019. Under the Event, Central Government will bring piped water to households. Due to the water crisis in India Half of the country's households do not have access to piped water. Under the Jal

जल जीवन मिशन

रसगुल जल का स्वाद या जल में पानी की कड़वे भी कमी नहीं है। खरिफ और हर साल बहुत होती है। जल को पूरा करने पानी मिलता या लोगों को पानी की कीमत नहीं थी, पानी बहुत बर्बाद करते थे।

जमी में गहरी, कच्चे घोंगे जाते के दुबरे के बच्चे से जमी का पानी खोज ही गया, और जल के लोग जीवन पाने लगे।

जल के लोगों ने जमी का पानी पीना बंद कर दिया। जल के लोगों को पानी के लिए दूरी सड़क में जान पड़ता था। जमी दूरी सड़क से निकलने दिन पानी लाते। लगे अड़े तक आदमी ने बरसा निक, जमी सड़क कर लो, और जमी में गहरी, कच्चे घोंगे बंद कर दो। उसके पानी दुबल लगे लोग, और बीमारियां भी लगे किनेरी।

दूरी ही दिन सड़क के सरपंच ने सीटिंग हुआ और जमी सड़क करने की घोषणा की। और जो भी जमी में गहरी निकल सड़क, उसे पानी का टंक लगा दिया। और सड़क में सड़क पर में जल है दिए, लगे कड़े लो लगे थे जल पानी बरबाद लगे।

अगर जल जल में सुख लगे बरबाद है, लो हमने भी बरबाद लगे पण्डित जमी बरबाद लगे बरबाद पण्डित, जल ही जीवन है।

Jal

Lakes, Mud Dams and Reservoir also be constructed under the India Jal Shakti event. Indian Government will implement a Water Conservation Awareness program in two phases. The main target of the program is to inform people about the importance of water.

**RADHEE**  
Disaster and Education  
Foundation

### SNDT NSS PO Details with warrior numbers

During the e-meeting with students

1. Warrior number details when shared with students will help the PO to know how many students have done their self-immunity check.
2. During the e-meeting, we need to share with students their respective college PO Warrior Unique ID Number students as it is a combined college program so I must know them so kindly fill the detailed form.

Students giving references will help them understand how to get the reference to achieve their target to get a certificate. Submission of the certificate will help students to get the proper marks and as you are aware it is a mandatory project under the "My Family My Responsibility" Initiative of GoM.

YEAR: 2020-21**

**NAME OF THE ACTIVITY:** Spit Free India Movement

**DD/MM/YY:** 19th October 2020  
Citizens

**TARGET GROUP:** 950 Indian

**NAME OF FACULTY:** Dr Swati Partani

**NO OF STUDENTS:** one

**SPEAKER/RESOURCE PERSON (WITH DESIGNATION):** Nil

**VENUE:** Online

**TIME:** 24<sup>th</sup> April-December, 2020

**OBJECTIVES:**

1. To make citizens aware to stop spitting in public places
2. To stop spread of Covid-19 as well as reducing the usage of chewing tobacco.

**METHODOLOGY:** Participative

**OVERVIEW:** One student and faculty were chosen from NSS UNIT of Maniben Nanavati Women's College to become part of the drive "Spit India Movement" organised by Sambandh Health Foundation and Pledge for life- Tobacco free Youth. They were given one online link to spread awareness on social media. From that link 950 citizens from the country took the pledge for not spitting in public places. They filled a small questionnaire which made them think about the after effects of spitting. Later e- certificates were released to all the citizens on completion of question form.

**OUTCOME:** Country citizens got awareness about the after effects of spitting. They took oath not to spit in public places.

Date: 28 December 2020

Principal Dr Rajshree Trivedi  
Maniben Nanavati Women's College

## Letter of Appreciation

Dear Dr Rajshree Trivedi,

Greetings from the Pledge for Life Team.

Experts have determined that spitting spreads the Coronavirus. The primary cause of spitting in public places is chewing tobacco (gutkha, khaini, etc) which create an excess of saliva and the urge to spit. Government of India, under the Disaster Management Act 2005, has given the order to stop spitting in public places in every Directive. The Hon'able Prime Minister, Shri Narendra Modi, himself, urged the public not to do so too.

Along with the NSS, we launched the **Spit Free India Movement** on 24<sup>th</sup> April 2020 and it has been a great success. The Ministry of Youth Affairs has appreciated it and this is now becoming a Spit-Free India movement.

We would like to thank you and your National Service Scheme (NSS) unit, under the dynamic leadership of your Program Officer Dr Swati Partani for supporting this campaign. Your NSS Volunteers have created awareness on the issue by getting people to fill in a mobile weblink. Your NSS Unit has, till 27<sup>th</sup> December 2020 got 950 entries in the weblink.

This timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We look forward to your College's support in this movement by creating awareness in thousands more of students and general public.

Thank you for your service to society,

**Sanjay Seth**
