The Department of Gujarati provided an opportunity to students across India to express themselves and showcase their creativity through the art of writing. This program was actively led by Alumni Maitree Chotalia (2017-2018). Ms. Maitree Chotalia networked with students who are currently pursuing or have a degree in Gujarati Literature. She encouraged them to express their feelings and experience with the language by writing an article. Ms. Maitree compiled the whole magazine, and typed all articles received from the students. She referred and researched other literary magazines while designing the magazine. She designed the cover page and complete layout of the magazine. Outcome: In February 2021, a beautiful magazine for students 'Vidyarthi' was published.
