A need to conduct more activities for faculty development was realized. It was resolved that experts will be invited to conduct workshops and training sessions for the teaching staff to enhance the teaching- learning processes and methods.

Item No.3 of Agenda - To increase more sports activities and give additional infrastructure to students

Our students have performed well in sports, especially in Rope Malkhambh. Dr. Ravindra Katyayan, the In Charge teacher of Sports, along with the coaches had requested for a 20 feet high Malkhambh device that matches the state level requirements. Our students can practice for Intercollegiate, regional, State and national levels with such a device. So it was resolved that a Rope Malkhambh device will be installed in the backyard.

Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	Maniben Nanavati Women's College offers a diverse range of programs and courses, the curriculum for which is designed and prescribed by S.N.D.T Women's University. The college offers degree programmes in Arts, Commerce, Management Studies, B. Design, Accountancy, Finance and Insurance as well as Post-Graduate programmes. All programs were completed on time using different teaching learning methods. During the pandemic, Zoom was subscribed to by the Principal and all departments used for online programs- workshops, webinars, and orientation programs etc. In our institute, teaching is an active process. Teachers made use of innovative methods to make leaning interesting in the lockdown. Normally, we supplement classroom teaching with experiential learning related to course content. Along with traditional chalkboards, interactive digital whiteboards and teaching- learning was planned. Keeping in view the needs and demands of digitalized academics, use of ICT was encouraged. Experiential Learning is enforced with internships, laboratory practical's, Field-trips, Industrial visits, Exhibitions etc. Participative Learning is achieved through Movies, Podcasts & Documentaries. Students also prepare teaching aids and Newsletter. Workshops and field projects, participation in research competitions, research data collection and quiz test the Problem-solving Skills of students. Critical thinking techniques are used to encourage students, analyse and suggest methods to resolve problems. Case study methods help enhance the creative and critical thinking abilities. P.G students use SPSS software for statistical analysis for their dissertation. Faculty members and P.G students also use open source sites such as N-List, Shodhganga, J-Gate, J-stor, I-scholar, Google Scholar, ProQuest for additional references. For extra reading and critical thinking Blogs, E-magazine, Case-study, Research Articles from open source cites are provided to students. Students are encouraged to access the National Digital Library of India. OPAC facility is provided by the library. The academic performance of students is noted to choose the right approach to clear their concepts and enable learning. Academically advanced and weak learners are identified and if necessary, Remedial course, Bridge Course and Add-on Courses are advised and conducted for them.
