**Closing Report Of “Finpreneurs”.**

A Training Programme in Capital Markets was conducted for TY B.Com students during 27<sup>th</sup> November 2018 to 2<sup>nd</sup> January 2019. In all 38 students enrolled for the training and attended the sessions of 40 hours. After the training, projects were given to the students in groups which they presented through PPT. Each team contained 2 members from Finpreneurs and 3 members from rest class, who shared the knowledge and their learning outcomes with each other. This way Peer to Peer learning was also promoted.

In keeping with the objectives of Skill Development and increasing financial literacy to empower women to take financial decisions not only for themselves but even find careers in areas of Research & Advisory, Broking, Investment Bankers & Allied Industries, the training programme was successfully conducted by Department Of Commerce, with Industry Affiliation from Brokers Forum & Powered by Rotary Club of Bombay Airport. We are grateful to Mr. Suketu Jariwala, President of the Rotary Club of Bombay Airport for their support which helped us to at least walk some distance in this journey of women liberation via Financial Inclusion by providing Financial Awareness.

**Closing Remark from Stake Holders.**

Purv Shah (Mentor, Program Director)

As a Mentor I spent more than 60 hours with the participants in which I saw a positive measurable impact in their performance, knowledge & thinking zones that are sometimes even complex for MBA's & CA's . It was simplified with the support of all the stake holders' viz. M.N.W.C, Rotract, Brokers Forum & especially Dr. Sunita Sharma, Dr. Preeta Joshi & Students.

Dr. Sunita Sharma & Dr. Preeta Joshi (Commerce Department)

In coordinating & being the point of contact between so many diverse stakeholders, we wouldn't say that it was easy. A programme whose ideology we were in support, took nearly a year of coordinating, but we are happy that it has worked out. No matter how much work it took at our end. We are honoured to be chosen to continue this difficult task of inculcating financial independence in our girls. As we feel that it will go a far way in moulding their thinking & making their lives. A special thanks to Ms. Aisha Gondaliya, the students coordinator for Finpreneurs for all her efforts.

My ability to cope up with situations and strive to get the best results whenever needed. An optimist, I believe in being honest, frank and God fearing. I strongly believe in the tenets, that one should always have Good thoughts, Good words and Good deeds. I can well adapt myself to different situations and can successfully be a part of a team, lead a team and if need be even work all by myself. I prefer to be level headed and even tempered. As I have been working for the over 25 years with young minds, I bring along with me vast experience in motivating students to reach out and achieve their goals.

# Ms office

First **introduced** in 1990, **Office** software is made by **the Microsoft Corporation**. **MS Office** helps simplify basic **office** tasks and improve work productivity. Each application is designed to address specific tasks, such as word processing, data management, making presentations and organizing emails.

**Microsoft Office 2019**. **Microsoft Office 2019** is the **current version of Microsoft Office**, a productivity suite, succeeding **Office 2016**.

# Excel for beginners

The Image is a typical image of an Excel Spreadsheet. The vertical grids like A,B,C... are known as columns. The Horizontal 1,2,3..... are known as rows.

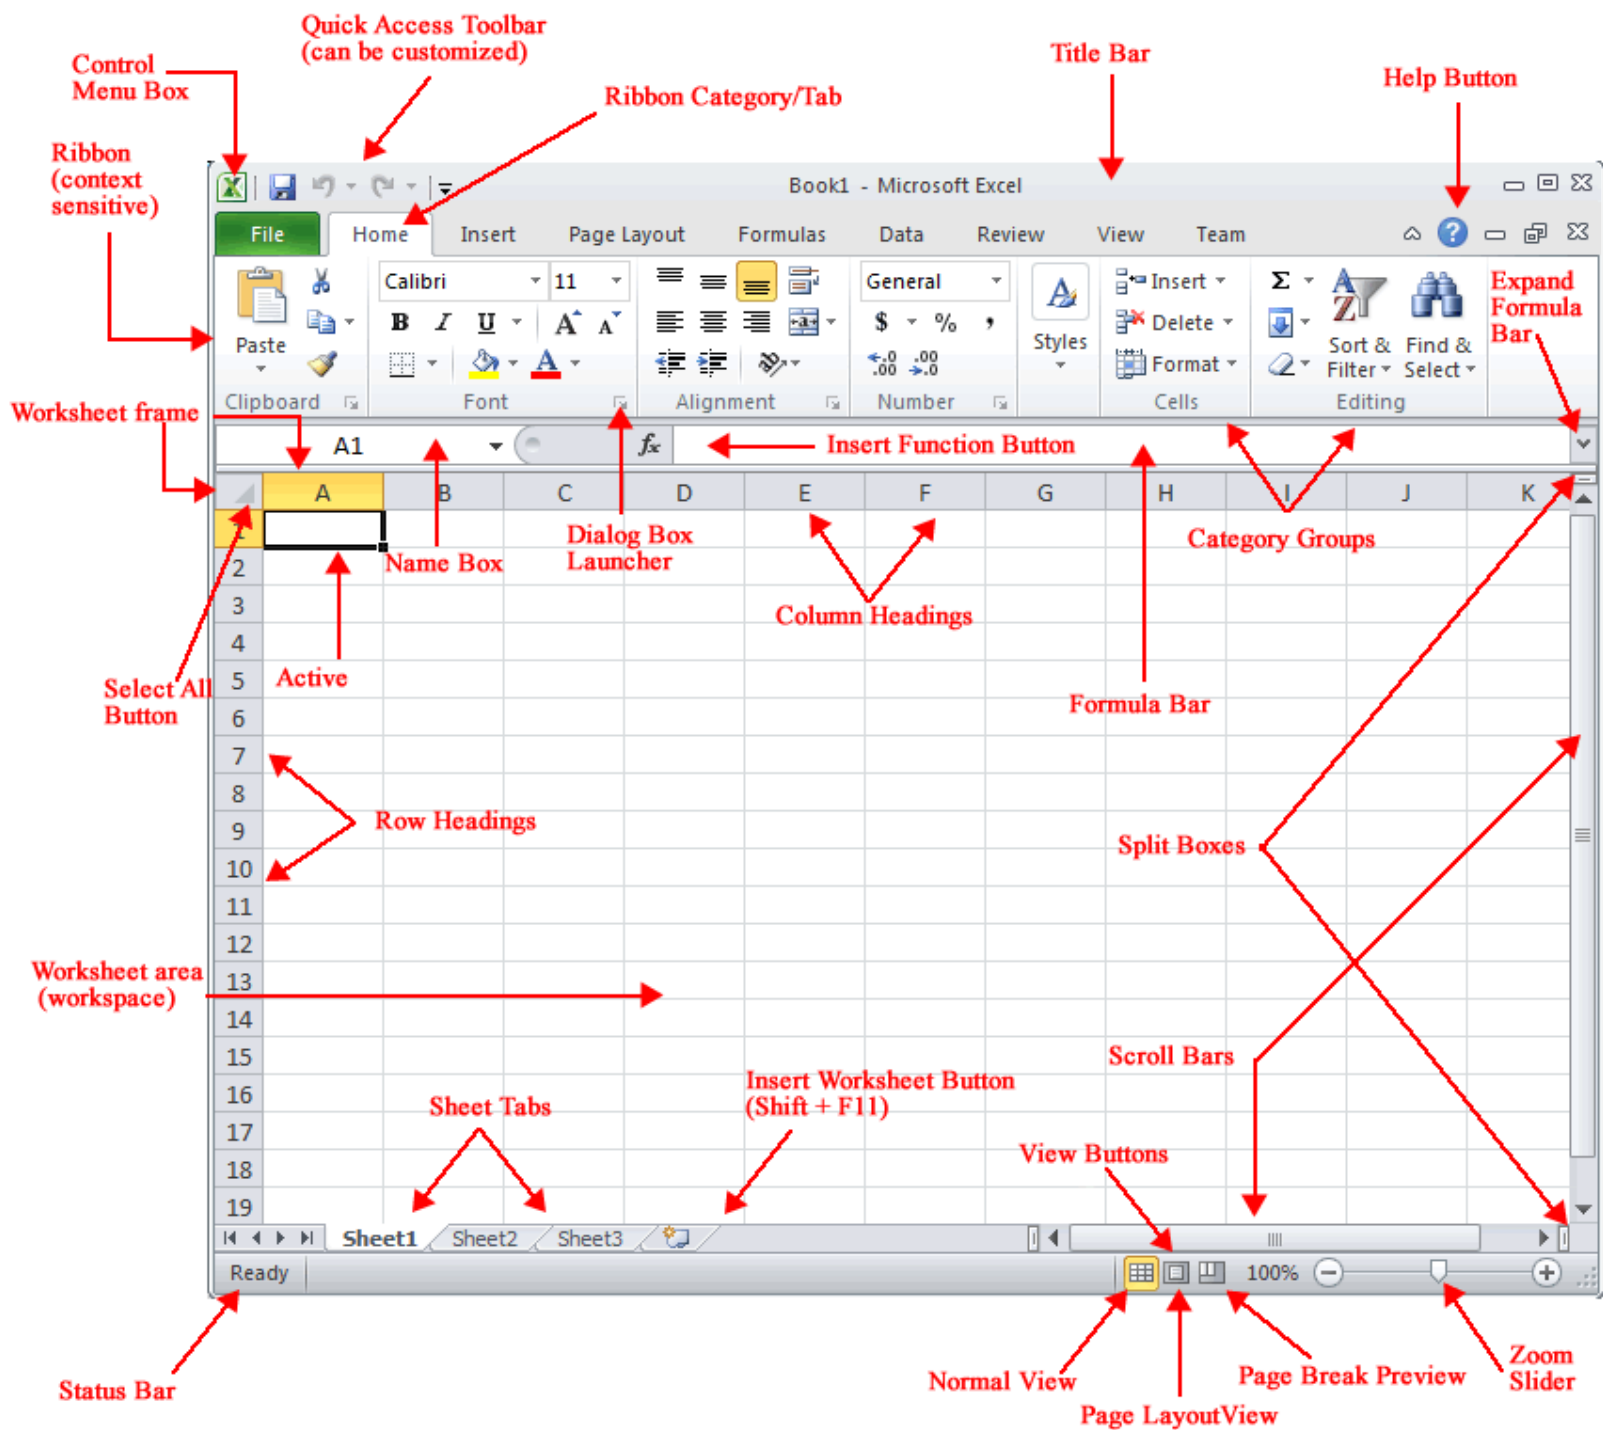

Excel 2003 had 256 columns and 65536 rows. Excel 2007 has 16384 columns and 1048576 rows .

**Intersection of a row and column is known as cell.** A cell is referenced by its column name row number e.g. the first cell in the excel spreadsheet is A1.

# How many sheets, rows and columns can a spreadsheet have?

<b>Version</b>	<b>Rows</b>	<b>Columns</b>
Excel 2016	1,048,576	16,384 XFD
Excel 2013	1,048,576	16,384 XFD
Excel 2007	1,048,576	16,384 XFD
Excel 2003 and earlier	65,536	256

- Although you're limited to 255 **sheets** in a new **workbook**, **Excel** doesn't limit **how many worksheets** you can add after you've created a **workbook**.
- The only factor that ultimately limits the number of **worksheets** your **workbook** can hold is your computer's memory.
- Google Spreadsheet limitations Number of Tabs: **200 sheets** per workbook

- 2) Sexuality (how do I view my sexuality, sexual abuse and its effects and how do I take care of self, kind of partner I would like to choose) – 4 sessions
- 3) Self-concept and esteem (self awareness - who am I, my strengths, separating behavior and person, how relationships can boost/ deter my confidence ) – 6 sessions
- 4) Social Media (what is the role of social media in my life, what is helpful, what is unhelpful with regards to my

time spent on it, nature of relationship it enhances) – 2 sessions

There will be an Introduction and Closure session

There will be 3- 4 counsellors who will be involved in this process.

**Financials:**

Each of the 90 minutes interactive sessions will cost Rs 4500/-. With 20 sessions, the cost will come to Rs 90,000/- . If we have 35 students, cost per student will be Rs 2600/- for the entire module of 20 sessions.

### OVERALL SUMMARY

The overall feedback was very positive. It brought the class together as a group. It allowed them to express in a safe space, their fears and insecurities. The non-threatening, non-judgmental nature of the program allowed them to confront a lot of their vulnerabilities and challenges that they felt were holding them back. They also felt a sense of greater pride and security because of the focus on self-awareness and self-acceptance. Every participant recommended that this program should be made compulsory for all students. They could see the applicability of the program outcomes in their personal and future professional lives. The program gave them greater confidence to face the future with the resources they already had.

Dear Vaishali mam

This is to inform you that we have completed the Amadeus Online Training Program with your students.

Attached please find the Name list, Marks obtained & Attendance details.

Ref communication, Pragañ Solanki & Eesha Raikar did not attend more than half of the sessions at the beginning due to unavoidable personal issues, hence suggested them to join in our next available batch. They will be certified separately.

The certificates have been emailed to each student separately. Attached are all certificates for your record.

Looking forward to working with you in the future.
