It was certainly a pleasing and exciting surprise for my little children. Your students have displayed a warm and energetic attitude specially while interacting with our children. I am very sure, each one of our child must have enjoyed the event immensely, as much as we did.

We thank you for your contribution towards the inclusive education program.

Thank you once again for a pleasant and an engaging event.

Looking forward to many such events.

Knowledge, ordained by the Almighty, is an unending expanse that even if all the water of all the oceans on earth is used as ink to pen it, even if all the oceans will dry up but not even a fraction of the knowledge will have been penned. Knowledge, grasped by mankind since inception, amounts merely to a drop of water that a finger

lifts when dipped in the ocean water and raised. That makes 'Thirst for Knowledge' the only objective of every being on earth.

'Moonstar Global School' is an attempt to reach knowledge to every child for it is only knowledge that leads to wisdom and it's only the wise that lead the world.

Letter of Appreciation

Dear Dr Rajshree Trivedi,

Greetings from the Pledge for Life Team.

Experts have determined that spitting spreads the Coronavirus. The primary cause of spitting in public places is chewing tobacco (gutkha, khaini, etc) which create an excess of saliva and the urge to spit. Government of India, under the Disaster Management Act 2005, has given the order to stop spitting in public places in every Directive. The Hon'able Prime Minister, Shri Narendra Modi, himself, urged the public not to do so too.

Along with the NSS, we launched the **Spit Free India Movement** on 24th April 2020 and it has been a great success. The Ministry of Youth Affairs has appreciated it and this is now becoming a Spit-Free India movement.

We would like to thank you and your National Service Scheme (NSS) unit, under the dynamic leadership of your Program Officer Dr Swati Partani for supporting this campaign. Your NSS Volunteers have created awareness on the issue by getting people to fill in a mobile weblink. Your NSS Unit has, till 27th December 2020 got 950 entries in the weblink.

This timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We look forward to your College's support in this movement by creating awareness in thousands more of students and general public.

Warm regards from our NGO Spark-A-Change.

We are writing with regard to the acknowledgement of the volunteer service undertaken by the students of the Department of English of your esteemed organization.

The volunteers greatly benefited from this community outreach initiative and provided the students with an opportunity to contribute their time, effort and service for remedial teaching. The students showed remarkable interest in teaching the underprivileged children. Eight students from FYBA DC English volunteered for 30 hours each from 22nd August 2019- 20th February 2020 and taught 100 students. Subjects such as English, EVS and Maths were taught through interactive activities.

In the academic year 2018-19 5 FYBA DC English students volunteered for remedial teaching at the Juhu centre and taught the children subjects like EVS through interactive activities like skit, poster-making, brain teasers, and storytelling.

We wish them the very best for their future and hope to receive continued support from your college in the coming years.

Sub: Appreciation Letter for 'SAYUJYA: Distribution of Ration Kit'

Respected Madam,

We are thankful to the Department of Gujarati, Maniben Nanavati Women's College for organizing (Under the MOU) 'SAYUJYA: Distribution of Ration Kit' in collaboration with Mumbai Gujarati Sangathan on 15th July 2021. By the initiative taken from you, in such a critical pandemic situation our 63 needy students of 5th to 10th Class received the Ration kits. (Wheat flour, Rice, Tur dal, Sunflower oil, Chana dal, Moong, Sugar, Turmeric, Salt, Pooha, Tea powder, Chilli, Jaggery and Soap.) Majority of students of our school belong from lower middle class families. The parents of most of these students sell items in baskets on the roadside, work as cobblers, do housework, etc. They work hard and struggle for their basic needs. It will be very useful to distribute food grains to them at such times. We are very grateful to you for your cooperation.

Looking forward to a more collaborative program from the Department of Gujarati.

Thank You so much.
