Warm regards from our NGO Spark-A-Change.

We are writing with regard to the acknowledgement of the volunteer service undertaken by the students of the Department of English of your esteemed organization.

The volunteers greatly benefited from this community outreach initiative and provided the students with an opportunity to contribute their time, effort and service for remedial teaching. The students showed remarkable interest in teaching the underprivileged children. Eight students from FYBA DC English volunteered for 30 hours each from 22nd August 2019- 20th February 2020 and taught 100 students. Subjects such as English, EVS and Maths were taught through interactive activities.

In the academic year 2018-19 5 FYBA DC English students volunteered for remedial teaching at the Juhu centre and taught the children subjects like EVS through interactive activities like skit, poster-making, brain teasers, and storytelling.

We wish them the very best for their future and hope to receive continued support from your college in the coming years.

Letter of Appreciation

Dear Dr Rajshree Trivedi,

Greetings from the Pledge for Life Team.

Experts have determined that spitting spreads the Coronavirus. The primary cause of spitting in public places is chewing tobacco (gutkha, khaini, etc) which create an excess of saliva and the urge to spit. Government of India, under the Disaster Management Act 2005, has given the order to stop spitting in public places in every Directive. The Hon'able Prime Minister, Shri Narendra Modi, himself, urged the public not to do so too.

Along with the NSS, we launched the **Spit Free India Movement** on 24th April 2020 and it has been a great success. The Ministry of Youth Affairs has appreciated it and this is now becoming a Spit-Free India movement.

We would like to thank you and your National Service Scheme (NSS) unit, under the dynamic leadership of your Program Officer Dr Swati Partani for supporting this campaign. Your NSS Volunteers have created awareness on the issue by getting people to fill in a mobile weblink. Your NSS Unit has, till 27th December 2020 got 950 entries in the weblink.

This timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We look forward to your College's support in this movement by creating awareness in thousands more of students and general public.

Thank you for your service to society,

Dear Sir/Madam,

Sub: 6th August - Hiroshima Day Peace Rally

Warm Greetings.

We thank you for deputing NSS volunteers from your college to participate in the Peace Rally, organized to mark Hiroshima Day and making it a huge success. **Without your co-operation, it would not be possible for us to organize this programme successfully.**

About 550 NSS Volunteers from 20 colleges of University of Mumbai & 8 colleges of SNDT University participated in the Peace March. 10 prominent newspapers from Mumbai city and digital media gave ample coverage to our event.

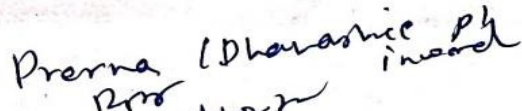

Enclosed herewith newspaper cuttings for your kind information.

We hope that the programme has helped to create awareness among the young generation and the people of the world about the devastating effects of nuclear weapons/war and this initiative fulfills Gandhiji's dream of peaceful and non-violent world.

We hope to get similar co-operation from you in our future activities.

With warm regards, peace and love,
