How to melt / temper chocolate-

In all handmade chocolates, the chocolate slab is broken in to small pieces & placed in a bowl over hot but not boiling water (Double Boiler). Stir constantly until it is melted. Remove the bowl from heat, after chocolate is melted. in microwave melt chocolate with intervals of 30seconds. Fill the liquid chocolate in the mould with the help of the spoon and set in the fridge for 15 to 20 minutes. Unmold and wrap. Store the ready chocolates out side.

emotionally capable individuals who can survive future challenges be it at the workplace, at home or in further studies.

2. To create mental health ambassadors who will reach out and help the community to identify and direct those afflicted with various mental health concerns.
3. To provide the necessary cognitive refinement enabling application of the concepts learned in the classroom to daily life leading to a healthier society.

Based on discussions with both parties the following module of 30 hours for TYBA students was proposed.

We propose 20 sessions of 90 minutes each. Total = 30 hours.

There are 4 main blocks we would like to do with the students.

- 1) Emotional awareness and regulation (understand the importance of emotions, how to handle difficult emotions like anger, sadness, jealousy, fear, how to enjoy the positive emotions) – 6 sessions
- 2) Sexuality (how do I view my sexuality, sexual abuse and its effects and how do I take care of self, kind of partner I would like to choose) – 4 sessions
- 3) Self-concept and esteem (self awareness - who am I, my strengths, separating behavior and person, how relationships can boost/ deter my confidence) – 6 sessions
- 4) Social Media (what is the role of social media in my life, what is helpful, what is unhelpful with regards to my

time spent on it, nature of relationship it enhances) – 2 sessions

There will be an Introduction and Closure session

There will be 3- 4 counsellors who will be involved in this process.

Financials:

Each of the 90 minutes interactive sessions will cost Rs 4500/-. With 20 sessions, the cost will come to Rs 90,000/- . If we have 35 students, cost per student will be Rs 2600/- for the entire module of 20 sessions.
