Respected Trustees,

Inner Wheel Club of Bombay Airport has supported Sushiksha Intervention Centre to set up a Therapy Centre for children with Neurodiversity at Andheri East.

At this Centre besides therapy, it will help in our skill development program. We wish to see them as independent individuals.

We wish to appeal if your honorable Trust can support our Centre with two computers. This assistance will help us to reach out many older children and help us with our administrative and billing work.

We really hope that you could approve and consider our appeal.
Your kind consideration will be highly appreciated.

Thank you,
Yours Sincerely,
