COLLABORATION WITH THE YOGA INSTITUTE (TYI)

The Yoga Institute, a 100-year-old organization, involved in the dissemination of the science and practice of yoga, collaborated with KSRC for an empirical research program. One of the programs run by TYI, *Swadhyay*, conducted by Dr. Atul Pednekar for over ten years, at TYI, was the subject of this exercise. KSRC was approached to carry out a research project that would measure the benefits of the program to its participants over a significant period. Participants enrolled for *Swadhyay* were inducted and tested with reliable and valid psychological tools. Two second-year students of psychology, Ms. Shital Parekh and Ms. Sakshi Sangekar were the research associates in the program. The Primary Investigator was the KSRC in-charge Dr. Cicilia Chettiar. An MOU was signed to this effect.

The project was completed and submitted to Dr. Atul Pednekar over a period of one year.

COLLABORATION WITH AGASTYA KAPOOR FOUNDATION

The NGO Agastya Kapoor Foundation (AKF) collaborated with MNWC to support the counseling cell SWAYAM. They signed an MOU to make the services of a trained counselor available free of cost for students and at a nominal fee for the staff of MNWC. The plan was to eventually open it to the community for a nominal fee with appropriate publicity and promotion. The remuneration for the counselor was managed by (AKF) for the entire year. The scheme could not be extended to the community due to concerns for student safety on the campus. It was a fruitful collaboration. Ms. Sonal Jani, MA—Clinical Psychology, an alumni of the cell began her services from 15th Feb 2022.

COLLABORATION WITH THE BLUE RIBBON MOVEMENT

YAMI, a student committee, collaborated with the Blue Ribbon Movement to engage the students in socially relevant issues in small groups. The focus is on creating a student think tank that deliberates on matters of national interest. The year began with students of B.Com. and YAMI volunteers understand the Blue Ribbon Movement and how they could benefit from the various programs they offer.

A significant achievement of the collaboration with the Blue Ribbon Movement was the building of student civic leaders who engaged with civic authorities to bring about change in their surroundings through their Community Connect Challenge. Two students Ms. Mahima Kewat and Ms. Saima Ansari (SY BCom) connected with civic authorities to bring about a change in the college and home surroundings.

The Blue Ribbon Movement also collaborated with YAMI students and conducted a campaign titled *Tum, Main Aur Samvidhan* where students were made aware of the constitution.
