2022- 2023

The Dupatta Painting Competition was an activity conducted on 23/09/2022 in collaboration with Inner Wheel Club. 75 students with an opportunity to give something back to the families of the soldiers who have dedicated their lives to the country. The competition was to honor the wives of the soldiers whom we called the 'Widow Warriors'. The activity of painting the Dupatta's showed the creative mind of the students and encouraged them to make a beautiful product. Students were provided with Dupatta of different colors which were pastels and fabric paint was also provided. Later, the Dupatta's were showcased to the judge's and all student's did a little fashion show where the judge's picked some of the best designs and the student's won prizes accordingly. Judges were very impressed with the outcome of the competition and that the competition was a successful experience for everyone.

Department of Psychology

Financial literacy is crucial for empowering women to take control of their financial futures. In recognition of its importance, an extension activity aimed at enhancing financial literacy among women could involve interactive workshops and seminars. Through L-earning Organisation students forwarded post cast, YouTube video made by Priyanka Acharya to their neighbours' friends and relative to create awareness about financial literacy. This will help the women's financial challenges, simulations of financial decision-making, and hands-on practice with budgeting tools. By equipping women with the knowledge and skills to navigate financial complexities confidently, this extension activity aims to foster greater economic independence and resilience within the community.
